

Candidate Waiver

I represent the following to the Inter-Regional Society of Jungian Analysts of North America (the “Society”) as a candidate to the Society:

- I. I understand that the submission of an application to the training program does not guarantee acceptance into the program.
- II. I will not use any wording regarding my professional identity that will infringe on a legally defined field of psychotherapeutic or medical practice. I also understand that I am not to imply that I have a legal right to practice analytical psychology or Jungian analysis if there is any possibility that I may be infringing on any law relating to the practice of psychology, psychotherapy, psychiatry, counseling, or any other mental health profession. I understand that if I present myself publicly or privately by any title that infringes on a legally defined psychotherapeutic profession, such action will result in expulsion from the training program.
- III. I hereby acknowledge that if the Society grants me a diploma, such diploma confers no legal right to practice as a psychotherapist. Arrangement for legal practice is my responsibility.
- IV. I certify that I have read The Training Manual of the Inter-Regional Society of Jungian Analysts (the “Training Manual”) and agree to accept and abide by the terms of the training program outlined in that Training Manual, including all revisions and versions of which I receive notice. I understand that the Training Manual is modified from time to time by the vote of the membership of the Society, and I agree to abide by any modifications to the training program that are adopted during my term of candidacy.
- V. I understand that by the Society's continuing my status in the training program, the Society does not make a guarantee or promise, either express or implied, that the Society will pass me from any stage of training to another or that it will ever confer a diploma upon me. I also understand that the Society may expel me from the training program at any time and for any reason that the Society considers appropriate. I agree, as a condition of continuation in the training program, that I will forego any legal claim against the Society arising from any action that the Society may take with respect to my training or my continued participation in the training program; however, that nothing in this sentence shall preclude me from the right to appeal decisions of the committees or boards of the Society as outlined in the Training Manual.
- VI. I understand that some portion of the hours of analysis and case consultation required for graduation may be performed using telecommunications technology, as specified in the Training Manual. I agree to utilize this policy *only insofar as* it is legally authorized in both jurisdictions under all applicable regulations, including licensure requirements, and performed in accordance with such regulations. I accept full

responsibility for determining the legality of such work. I indemnify and hold the IRSJA harmless of and from any claims resulting from my decision to utilize such technology.

VII. I understand that all candidates to the Inter-Regional Society of Jungian Analysts (IRJSA) are required to comply with relevant state and federal laws governing the practice of counseling, psychology, psychotherapy, psychiatry, psychoanalysis and analysis, and I agree to comply with this requirement for the term of my candidacy. This waiver extends to any professional services I may provide via telecommunications.

VIII. As consideration for the provision to me of training by the Society, and as an applicant to the Society, I agree to indemnify the Society, its incorporators, officers, members, directors, agents and employees for, and hold them harmless from and against, any and all liability, losses, damages, costs, expenses (including reasonable attorneys' fees), causes of action, suits, claims, demands and judgments of any nature or form incurred by or on behalf of the Society, its incorporators, officers, members, directors, agents, and employees, arising in any manner in connection with my practice of counseling, psychology, psychotherapy, psychiatry, psychoanalysis or analysis or other related activity while I am a training candidate. Upon notice from the Society, I agree to defend the Society, its incorporators, officers, members, directors, agents and employees in any action or proceeding brought in connection with the activities described in this paragraph.
