

## TRAINING PREREQUISITES AND APPLICANT MATERIALS CHECKLIST

### Prerequisites:

1. The applicant must possess at least a master's degree before applying.
2. The IRSJA requires candidates entering the "control" stage of training to have the legal right to practice psychotherapy in the jurisdiction in which they practice.

A minimum of 50 of the 100 hours must be in-person with the analyst. The applicant must be in analysis at the time of application.
