REQUIRE - DESIRE - INSPIRE

Require

"Personally, I felt cared for. Not sure if this is the type of answer you are looking for, but training is hard and frequently misunderstood by friends and family. This type of support feels like an oasis."

"I ended up using 90% of the books purchased in my thesis."

Inspire

"I was and still am
astounded by the support
and encouragement I
received from analysts and
fellow candidates."

"Excellent"

Desire

"I cannot say enough good things about the fund."

It was part of what motivated me to complete my thesis and sit for my exam this April."

"I found the information in the 6-page document titled, "Require, Desire, Inspire: The Hermes Fund in Support of Candidate Training" to be helpful and clear in outlining the Require Grant criteria."

Inspire

"It was a catalyst for a great deal of dreaming and excitement as I moved through the last year."

Require

"I will disclose, however, that it took months of deliberation on my own part to work up the courage to apply"

"I felt supported by IRSJA like I was part of a community."
